# MANITOBA BAPTIST ASSOCIATION

## Annual Conference

October 16-17, 2009

Emmanuel Baptist Church  
Morris, MB

Emmanuel Baptist Church warmly welcomes the delegates and guests of the Manitoba Baptist Association. It is a privilege to host you this weekend. Plan now to join with others from around the province of Manitoba as well as guests from the North Central Association (Montana, North and South Dakota) as we meet for celebration, inspiration and challenge. Be challenged in our main sessions by Mike Chong Perkinson as he shares with us on the theme of *Redrawing the Map for Ministry*.

**Note for MBA Delegates:** Included in our weekend of activities will be an opportunity to participate in decisions that have a direct affect on the ongoing ministry of the MBA. Modified business sessions will be conducted on Saturday (see schedule). Hear how God is at work through the people and ministries of the MBA.

## CONFERENCE DETAILS

*Redrawing the Map for Ministry* is our theme for this year. At a time where much of our ministry as churches and as Associations of Churches is plateaued or declining, it will take more than business as usual to be faithful to the Great Commission in our time. To help us more effectively address our theme, Mike Chong Perkinson, Senior Developer at the Praxis Center for Church Development will be our speaker for the weekend. Business will be kept to a minimum, allowing Mike more time to help us learn what it means to redraw the map for ministry. He will lead us in a seminar during the day on Friday and Saturday morning as well as speaking on Friday evening.
